## Garden Projects

Thanks to the hard work and determination of Miss Waterfield and Miss Wharton in securing grants from Brimsmore and the Somerset Gardens Trust the new garden areas at both the Infant and Junior sites are starting to take shape. I really enjoyed watching the children plant the willow caterpillar tunnel at the Infants and the garden designs by some of our seven year and eight olds at the Juniors are good enough for Chelsea.

## Cricket

On Tuesday we welcomed Matt Shawcross from the Somerset Cricket Board into school. Matt led an Infant and then a Junior assembly to promote the new All Stars cricket programme aimed at children in Years 1 to 3. The All Stars programme aims to get children involved in this fun sport while promoting the important values of teamwork, respect and enjoyment. If your child has shown an interest in getting involved please look at the All Stars website <https://www.ecb.co.uk/play/all-stars> alternatively see Mr Clothier at the Juniors for further details. The All Stars programme (Yrs 1-3) along with the under 10s (Yrs 4 & 5) and under 12s (Yrs 6 & 7) age groups are being run locally at Queen Camel Cricket Club. Please see Mr Clothier for further details

## Last Call!

If you have any Sainsbury's tokens clogging up your purse or wallet please could we have them handed in. We will be choosing our items with the children soon!

## Vacancies

## Crossing Patrol

We are still without a Crossing Patrol for either the Junior or Infant site. If you know of anyone who can fill this important role do please ask them to contact the school office.

## Cleaners

We are looking for a Cleaner to join our team and to help maintain high standards of cleanliness and a great learning environment for all our children. Please contact the school office for details.
