Jnrs 8.55am / Infs 9.00am

Mrs Tanswell's Special Celebration – Friday 17th March

Please note the following collection arrangements for children in the Infant Department at 3.15pm on this day, as we would like to respect Mrs Tanswell's Special Celebration.

Classes 1 and 2 will leave from Class 1's door leading out by the swimming pool

Class 3 will leave from the usual door

Class 4 will leave from the usual door

Class 5 will be brought out to the playground by Mrs Mordue.

Red Nose Day

On Red Nose Day we will be raising money by wearing a wig/crazy hair on Friday 24th March.

School Corridors

Corridors must be kept clear during the school working day at all times.

Parents are respectfully asked to not to enter the school buildings or wait in corridors prior to 8.40 am (Jnrs) / 8.45am (Infs) and 3.15pm (Infs) / 3.20pm (Jnrs). Pushchairs should be left outside the school building at these times. Having parents in the building before the end of the day is problematic when children go to cloakrooms to retrieve coats and bags. Please help us to keep all children safe by respecting this request.

Lower Junior Production

I can't wait to see the children's production of Sleeping Beauty. Don't forget to get your tickets from Monday 20th March. All proceeds pay for stage lighting and performance licences.

Parent Parliament: School Uniform

The next Parent Parliament session for all parents will be held in the Junior Department on Thursday 20th April at 6.00pm. Take this chance to have your say on the future of school uniform at Ilchester

Chickenpox

Please be aware that we still have cases of Chickenpox in school.

Parent Parking

Please could all parents be respectful of local residents when parking near school to drop off or collect their children.
