## Summer is here!

What a fabulous first two weeks we have had; it is fantastic to see the children in their summer uniforms. Please do consult the Uniform Policy before buying any items and please, please, please do make sure that your child's name is clearly written on all garments. If you notice that your child has brought home someone else's uniform can I ask that items are returned to school as soon as possible; I understand the frustration of parents when named items go missing! Once things warm up again, please can I encourage parents to apply sun cream to children before they come to school. If your child needs to reapply sun cream during the day then this can be sent to school in a named container, although children will be required to apply the cream themselves. Hats and water bottles are also essentials for summer please!

## Young Entrepreneurs

Over the Easter holidays a group of our boys took it upon themselves to raise some funds to buy new playtime football equipment. Having baked huge numbers of delicious cakes the boys then sold these around the village, raising over £100 in the process. I look forward to sitting with the boys to choose their new equipment!

## Jump Rope for Heart

A little while ago we held a skipping day to raise money for the British Heart Foundation. Well done to all the children for raising an *amazing* **£560.20**. What a great effort!

## Swimming Helpers

Before too long we will be putting out a call for parents to help with swimming sessions at the Infants. If you think that you might be interested do please see your child's class teacher so that we can make a head start on the necessary paperwork.

## Dates List

Going out with this letter is a list of all the key events for the Summer Term. Do keep this somewhere safe, however copies can be downloaded from our website.

## Pet Food / Items Donations

To support one of our parents with a charity that they are involved with, we will be holding a '**one day only**' event when donations for the Bath Cats and Dogs Home can be made. Please bring any donations of food (no gravy products), toys or towels to school next **Friday 5<sup>th</sup> May**. Details are opposite.

Bath  
**Cats & Dogs** Home  
**PET FOOD DONATION BIN**

### Wondering what to donate?

For either cats or dogs, we prefer the jelly or meat loaf varieties and chicken or turkey flavours as these are easy on tummies that have been through a lot of change.
