16th December: School finishes for

Christmas holidays

Infant Wildlife Project

It was brilliant to see so many parents in school this week enjoying working alongside our children to help improve the school environment. Thanks to all for turning up and getting stuck in. Check out the class blogs for photos.

MacMillan Coffee Morning for a very 'Special Lady'.

We look forward to welcoming all parents to our coffee morning next Friday 30th September. The event starts after drop off and continues until the cakes are gone or 11.30am, whichever comes sooner!

Harvest Festival

Don't forget that Harvest Festival is on Thursday 6th October. If you wish to make a donation this should be brought in to the school hall at the beginning of the morning session.

Sporting Success

We may have only been back three weeks but our sporting champions are already hitting the heights. Well done to the netball team who won two of their matches in their first tournament. Well done too to the cross country team who had a great first race with the Year 5/6 boys managing to claim third in the team event being a real highlight. Never mind the Brownlee brothers, the Girling brothers, Buckle sisters, Almond brothers, Griffiths brothers and Barlow sisters were all hot on each others' heels but fortunately didn't need carrying over the line.

Members of our netball team show off their new kit. Thanks FIS!

Women into Sport Week

Why not get involved in some sport yourself. On the rear of this newsletter are details of free taster sessions running across South Somerset on the week of 3rd October. Give it a go!

Bug Busting

It's always good to check your child's hair at the weekend for any unwelcome visitors. Please help by doing so.
