8th January 2018

School Re-Opens 8.55am

Congratulations to class 9 who collected a whopping 22kg of coins. Not only did they get to put Mr Clothier in the jelly wellies, he had his head shaved too. Thanks for being a great sport Mr Clothier! Lots of pictures are on the website

Reception Trip Kingston Maurward

Children in classes 1 and 2 had an amazing day at Kingston Maurward enjoying lots of activities on the farm. They all got the chance to have a tour of the animals and to feed them too! Lots of pictures are on the website.

E-Safety

Your child will shortly be bringing home a copy of the magazine 'Digital Parenting'. This magazine provides useful tips and information to help keep your child safe in 'Cyber Land'. Please take the time to have a look through it and discuss with your child.

Plea from Office staff:

If you have not already done so, can you please return any outstanding flu vaccination letters, data collection letters & home school agreement letters as soon as possible.

Travelling Book Fair

The travelling book fair will be in school next week. Come to the infant or junior hall after school on Tuesday and Thursday to buy your books. We earn commission on all that is spent and last year this raised over £400 to buy books for school!

Headlice

Please, please check your child's hair this weekend. We need all parents to check if we are to beat the bugs!

Wednesday's jelly wellies event was a huge success raising an amazing £729.43 for Children In Need: our highest total ever. All the children should feel immensely proud of their efforts and will be able to enjoy the events on television tonight knowing that they have done their bit.
