10am

21st March 2018

FIS Coffee morning.
Ilchester Town Hall
10am

Do please discuss the play with your child at home; the whole production can be viewed at www.aninvisibleman.co.uk.

Children at the juniors have all taken part in a thought provoking experience at school: 'Wherever home is'. Following a professional theatre production they have had the opportunity to share feelings around military deployment, separation, anxiety and fear. For many, this has stirred emotions and feelings with children giving voice to their worries.

Sports News

Children from the juniors have enjoyed taking part in basketball, football and boccia tournaments this week: a big well done to all those who took part.

Parents' Evenings

Dates for parents' evenings are shown opposite: watch out for a letter just after we get back so that you can book your appointment.

Parent Parliament

The Parents Parliament session on collective Worship and Religious Education will be held the first Wednesday after half term.

Crossing Patrol

The school remains committed to providing a crossing patrol to aid the safety of the children on their way to and from school. Please, please ask around the village to see if together we can find someone to fill this important post.

Bad Language at school

We are working really hard to eliminate bad language and swearing from our school. Could I please ask for your support in reiterating to your children not to use words or language heard at home or through the media whilst at school. Bad language will consistently be addressed through the behaviour policy.

E-Safety

As part of a national campaign we have been working with the children this week on staying safe online. Materials for parents are available through the e-safety section of our website under parents' info.
