23rd March 2018

Letter from Reverend Bruce

Please find in your book bags today a letter inviting your children to take part in our very own Royal Wedding. We're all looking forward to this event and if, in any way, you are able to help with the requests outlined in the letter we would be really grateful. Bruce can be contacted through the school office if you are able to help.

School Uniform

Following the Parent Parliament session last year a number of changes to our school uniform are being discussed. Please be reassured that the school colour (royal blue) will remain the same although our logo will be changing. The children have been tasked with designing a new logo- the winning design will be announced shortly after the Easter break. Following discussions with 'School Wear and More' today I can inform you that they will be discounting existing items shortly. Please also be reassured that children will be able to wear any item with the old school logo on until January 2019.

SSFA Easter Eggs

There was a great deal of excitement in school on Thursday when a representative from SSFA came to present the prizes at the annual Easter Egg decorating competition. A picture of the winners can be seen to the left.

Years 3 and 4 Production

Parents, grandparents and friends were kept highly entertained on Monday and Tuesday evening this week as they enjoyed a fantastic version of Hansel and Gretel. A massive well done to all the children who took part and the adults who supported them. A huge thank you goes to all the hard working members of FIS and to the parents that support their events: funds raised paid for the most impressive stage lighting that lit the children's fabulous performance.

Infant Tea Party

Thanks to all the parents who came to support the children at their tea party this week. Well done to the children and staff for organising this lovely event. A fine time was had by all as you can see from the picture.

Health Update

With the Easter holidays upon us, this is always a good chance to check your child's hair for nits. PLEASE could all parents check so that together we can beat the bugs. Please also be aware that we have had a few cases of chickenpox and scarlet fever reported to us this week.
