

ILCHESTER COMMUNITY PRIMARY SCHOOL NEWSLETTER

27th April 2018 **Sporting Success**

Huge congratulations go to the cross country team for another excellent season, culminating in a third place for the year 5/6 girls' team. This has been a few years in the making and I am so proud of the girls who have stuck with their running and got the reward that they deserve. Very well done too to Elle-Skye, Ceira, Erin, Imogen and Abigail who went on to represent the Yeovil area in the County finals where their teams finished second. Our cyclo-cross team were also in action this week, finishing a creditable seventh out of twelve teams in the rain at Huish!

Clubs

I am delighted that so many of our children chose to take up the clubs that staff kindly volunteer to provide after school. Parents of children not attending MUST inform the member of staff responsible; once again this week twenty minutes was wasted on each afternoon phoning the parents of children who have simply not turned up to their clubs.

Stars of the Stage

Once again, the children of singing club, wowed the audience at the Octagon theatre on Saturday with their fabulous performance. How fantastic to see our children performing on the big stage with confidence and enjoyment.

Summer's Here (I think)!

You should find along with this letter a list of key dates for the summer term.

I am thrilled that thanks to a substantial donation from FIS, the swimming pool has a new heating system and will be in operation from June onwards. If you think that you would like to help out supervising school swimming sessions then do please come and see Mrs Lane in the infant office now so that checks can be made and clearances in place in good time for the start of the swimming season.

Please check that all items of clothing are clearly labelled with your child's name. Twenty blue jumpers left on the school field all look the same and cannot find their way back to their owners if not named. Children should bring a water bottle to school along with labelled sun cream, if needed, and a hat. Children are encouraged to take responsibility for putting on their own sun cream although staff are happy to supervise.
