Arts Week

How wonderful it was last week to start the summer term with a week of art. It was a joy to see the children learning about different artists and musicians, to see them experimenting with alternative techniques and, of course, to see them take pride in some fabulous finished pieces. As part of the week all children have produced a framed piece which will be available to buy. The children's masterpieces will be on display after school on Friday 5th July at the Junior Site. Do please come along and view all the wonderful works.

Sports News

Congratulations to all the children who represented the school at the recent athletics festival. A fantastic team effort led to the children finishing third overall- what a great result.

FANTASTIC!

Summer Events

As usual there will be lots of school events over the next few weeks as the school year draws to a close. Old favorites such as 'Music on the Mound': Wednesday 20th June, Sports day: 22nd June and The Summer Fayre and BBQ: 29th June, make their annual appearance. Watch out too for events and initiatives organized by our Year 6 children as part of their enterprise project. All the children have been given a crisp five pound note as start-up capital for their business with the aim of raising as much money towards their end-of-term treats as possible. The children are full of great ideas that I hope that you will be able to support.

Parent Questionnaire

Attached to this newsletter is a brief questionnaire; it would be great if you could complete it and return it to the School Office. We do appreciate your feedback!

Lost Property!!!

We have collected a significant number of items recently (especially at the juniors). These include watches and glasses as well as items of clothing. Please check with the school office if you think you are missing something important!

Footwear

Please do not send your child to school in open-toe sandals.
