

How many contractions can you see?

Today I met my friends. In fact they're my best friends. I hadn't seen them for a while and we had lots to catch up on. We've been friends for year. I'll never forget the day we all got stuck in a lift.

I'd never been so scared.

Paul, he's the oldest of us all, got us out.

Gill, she's the youngest, said she'd never go in a lift again. I don't blame her because we didn't think we were going to get out.
