

Key Stage 2 – Newsletter

Friday 26th June 2020

We are now well into this most unusual of summer terms and a lot has been going on, both for those who are in school and those who are at home. Many fantastic learning opportunities have been created by the teachers and support staff and a great deal of lovely learning is taking place. Remember to send pictures of your work to your class email so they can be shared with other members of the school.

Don't Forget...

Bug Club

To support reading at home children have been allocated by their teacher a whole range of exciting reading books based upon their reading levels at school. The idea of the 'Bug Club' system is to give children access to a range of appropriately levelled books to further support the vital skill of reading. A few minutes of reading each day, ideally to an adult, can have a huge impact on a child's progress.

A few weeks back, all parents were sent (via Parent Mail) their child's individual username and instructions as to how to activate their child's profile. Follow the link and you will be prompted to create a password for your child to allow them access to their books. If you have any problems, or have mislaid the Parent Mail, then please contact the school.

What have you been up to?

Alice in Class 7 has been measuring accurately to make delicious cakes.

Elizabeth in Class 7 has been identifying different species of local trees.

Miles in Class 6 has been using his D&T skills to create a fantastic pick-axe.

Sports News

Our annual Sports Day returned recently but with a difference! Unfortunately, this year we were not able to come together as a school to compete, instead having to participate in socially distanced mini events at home or at school. Well done to all those who took part, your scores will contribute to the overall score for your house. Make sure you have sent them in to your teacher via your class email so that Mr Clothier can add them all up and find the winners of the Sports Cup for 2020. Will Griffin hold onto their title from last year?

In other sports news, well done to Phoebe from Class 7 who has been crowned Yeovil Primary Schools Cross Country champion in the Year 2 & 3 girls age group for 2019/20. Phoebe represented the school in 5 races across the season and ran magnificently each time, consistently placing highly.

Times Tables Rockstars

Have you been keeping your times tables sharp during lockdown? Well done to those who have been regularly practising these important number facts using the TTRS app amongst others. How are

your avatars coming along? Can you afford that new guitar yet? If you have mislaid your child's login, please get in touch with your child's class teacher via the class email and they will be able to resend it. Well done to this week's leaders. Can you beat them next week?

Times Tables Rockstars Leaderboards: 26th June

Year 5 and 6			Year 3 and 4		
Position	Name	Current studio speed	Position	Name	Current studio speed
1	Sonny	0.47	1	Brie	1.00
2	Caleb	0.72	2	Max	1.05
3	Lewis	0.73	3	Judah	1.48
4	Isaac	0.75	4	Ken	1.62
5	Dallan	0.96	5	Noah	1.64
